NAREN  
6802 McClean Blvd.  
Baltimore, MD 21234

If paying with a purchase order, attach to this form and include P.O. number below:

Purchase Order #:

NAREN is a 501(c)(3) non-profit organization. More than 50% of your annual associate dues go to the state/territorial chapter *if* there is a formally organized chapter in your state/territory. This is done to help that chapter's carrying out of goals specific to that state/territory. If there has been no chapter formed in your state/territory, 50% of your dues will be held in escrow for a period of one year. If, at the end of that time, no state/territorial chapter has been formed, the money held in escrow will be absorbed into the national organization's treasury to carry out NAREN's national goals. When you join NAREN you automatically become an associate of the state listed in your home address. If you desire to belong to a state or territorial chapter other than the one listed in your home address, then list it here (*NOTE: you can only belong to one state/territorial chapter*):

Alternate State / Territorial Chapter:
